

CITY BUS STOPS 2016-2017

Students residing at a distance of **one and one – half miles** or more from their assigned school are eligible for bus transportation. Bus riders should arrive at the bus stop **TEN minutes** before the scheduled departure time; **the bus driver is not to wait and may proceed on a timely route if the student is not in sight.**

Animals, insects, weapons, glass objects, or any other material that could cause a potential hazard on the school bus cannot be transported. If food is transported, it must be in a lunch box, bag or a sealed container. All objects must be small enough to be held in the child's lap or between their legs. **Routes and times are subject to change.**

Parents of Little Learner, Early Childhood, and Special Education busing students should receive a phone call within a couple days of the start of school regarding approximate pickup and drop off times.
